PATIOS, CARPORTS & VERANDAHs

# THE ULTIMATE FINISHING TOUCH FOR YOUR HOME

With an extensive selection of patios, carports and verandahs, the Fielders Centenary range of home improvements is your home's ultimate finishing touch. Combining long-lasting build quality with classic, appealing looks, today's range has grown to include fully-engineered solutions including: gazebo design (free-standing or attached), cantilevers, freespan designs and our unique steel flooring system - the Centenary Decking System (CDS).

Available in one of the market's largest selection of profiles and finishes, the Fielders Centenary range provides unparalleled flexibility. Manufactured to last in the Australian climate, every design will beautifully complement your home with a combination of style, versatility and high-quality engineering.

## KEY BENEFITS

- Fielders Platinum Guarantee; 25-year structural warranty.\*
- Attached and free-standing designs.
- Larger spans to accommodate your needs.
- Wide variety of roof and gutter profiles.
- High gloss beams and posts for a low maintenance and stylish look.
- Wide choice of colours from the COLORBOND® steel colour range – no need to paint!

## CARPORTS

### A PRACTICAL WAY TO PROTECT YOUR ASSETS

The Fielders Centenary carport range is the perfect combination of style and strength. Storing and protecting your most valuable assets such as a vehicle or boat is a major consideration for homeowners, and Fielders Centenary offers a smart, durable solution.

Available in one of the market's largest selection of profiles and COLORBOND® steel finishes, Fielders Centenary carports have greater spans and design flexibility to suit your specifications.

## CENTENARY DECKING SYSTEM

### THE PERFECT COMPLEMENT FOR YOUR CENTENARY

The Centenary Decking System (CDS) is a steel flooring solution combining aesthetic appeal, strength and simple construction methods.

Designed to complement the Fielders Centenary range of patios and verandahs, this smart solution will add value to your home and extend your outdoor entertaining area.

By combining a modified box beam, simple connection methods and beams up to 208x65mm in size, Fielders Centenary has been able to provide a simple, cost-effective and fully-engineered steel flooring system.

- Peace of mind from termites, rotting or warping due to high quality BlueScope steel products.
- Large span capability ensures an economical solution.
- Fire-safe sub-structure for your deck.
- Ease of installation as each CDS is pre-cut and supplied as a kit.

## GAZEBO DESIGN

### A FUNCTIONAL SPACE WITH CLASSIC CHARM

Available in both free-standing and attached designs, a Centenary gazebo is a stylish and affordable option within the Fielders Centenary range.

We've streamlined the manufacturing process and developed an innovative apex and eave knuckle connection process, allowing us to more easily work with steel. The result for you? A simple to install and surprisingly affordable improvement to your outdoor space.

Whether you opt for a free-standing gazebo or something that attaches seamlessly to our patio or verandah designs, this classic structure will instantly enhance your home's appeal, whatever the architectural style.

## PATIOS AND VERANDAHS

### ADD VALUE TO YOUR HOME AND LIFESTYLE

Making the most of our fantastic Australian climate is simple with a Fielders Centenary patio or verandah. Whether you're keen on entertaining alfresco, or simply want to add more liveable outdoor space, you'll find the right option to suit your needs.

Available in one of the market's largest selections of roof and gutter profiles, a patio or verandah by Fielders Centenary is engineered up to a height of 4m. Manufactured to last in the Australian climate, the two-piece, roll-formed COLORBOND® steel beam construction means you can forget about the repainting, warping, rotting or splitting associated with timber.

### STRUCTURE TYPES

<b>DUTCH GABLE</b>  <p>Large portal beams allow for opening widths larger than 10m without the need to add columns.</p>	<b>FREESPAN</b>  <p>Available as a single gable or combined with flat roof sections, this clear, uncluttered design features no internal roof purlins.</p>
<b>FLAT ROOF</b>  <p>Whether attached or freestanding, a flat roof patio or verandah is cost-effective in its design and can be combined with various roofing and guttering profiles.</p>	<b>HIP ROOF</b>  <p>Engineered for strength, the hip roof complements most house styles and is equally at home in contemporary or traditional settings.</p>
<b>SKILLION</b>  <p>A skillion roof is similar to a flat roof, but with an attractive and modern slope, plus the benefit of allowing light to filter in.</p>	<b>GABLE END</b>  <p>Gable ends are a popular choice for most Centenary verandahs, carports and patios. Add infills to your gable end design for a unique, custom look for your Fields Centenary design.</p>
<b>CURVED ROOF</b>  <p>This contemporary addition to the Fields Centenary range provides a clean and sweeping modern look.</p>	<b>CANTILEVER</b>  <p>The modern cantilever design allows for additional usable space, especially great for entertaining areas and walkways.</p>

<b>ROOF PITCHES</b> 	<b>BEAM SIZES</b> <ul style="list-style-type: none"> <li>• 65 x 65</li> <li>• 108 x 65</li> <li>• 158 x 65</li> <li>• 208 x 65</li> </ul> <p>Note: Beam measurements in mm. Not all beams may be suitable for all applications.</p>

## EXPERIENCE THE CENTENARY DIFFERENCE

### AN INDUSTRY-LEADING WARRANTY

Using Australian-made BlueScope and COLORBOND® steel, we stand by the quality of our range by offering you our Platinum Guarantee - an industry-leading 25-year warranty\* on all structural parts.

### A WIDE RANGE OF STRUCTURES

From classic dutch gable, and gable end profiles to contemporary curved and cantilever designs, you'll be amazed at our wide range. We'll help you find the perfect structure to suit your needs and exact specifications.

### A HARMONIOUS COLOUR PALETTE

From roofing sheets to beams and columns, our products are available in options from the COLORBOND® steel colour range. Creating a seamless look with your existing home has never been simpler.

The COLORBOND® steel colour swatches shown have been reproduced to represent actual product colours and finish as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones and finish. To determine the most suitable material for your project, please contact your supplier or [steel.com.au/colorbond](http://steel.com.au/colorbond).
